

PRATT®

a **MUELLER** brand

KNIFE GATE VALVES

Installation Notice

This valve and cylinder are designed to be installed with the valve stem pointing vertically up. If the valve is installed so the valve stem is positioned at any angle other than vertically up, additional support will be required on the cylinder.

If the valve and cylinder are subjected to pipeline vibrations, additional support may be required on the cylinder.

Phone: (800) 423-1323

By deviating from the above listed instructions, you will void any product warranty and release Henry Pratt Company, LLC. and its affiliated entities from any and all liability associated with the installation or use of this product.
