

"BUY AMERICA" AND KNIFE GATE VALVES

Pratt Knife Gate Valves can be manufactured to meet Buy America requirements under state and federal laws. Our sales team will assist you in getting your project under contract and into construction. We will provide quotations itemizing quantification of material percentages, availability, and prices for domestic and qualified foreign materials that Henry Pratt Company uses in manufacturing knife gate valves (KGVs) to meet your project specifications. All of our valves can be completely manufactured in America by our skilled craftsmen in Kimball, Tennessee. To meet Stimulus financial requirements or other Buy America clauses, we are able to source U.S.A. manufactured steel and stainless steel materials. We can always provide you with the right valve for any project.

96" Bonneted Knife Gate Valve

EXAMPLE PRODUCTS

1. 72" & 48" Figure 193-W44 Bonneted KGV's,
2. 25 PSI CWP, A36 CS body & bonnet, 304 wetted parts, 304 SS seat with welded Bronze overlay; electric motor operators.
3. 6" Alloy 20 Figure 77, resilient seated KGV. 3. 6" Figure 53, 500 PSI design, 316 SS split body with resilient seat.
